3. **Annual Parking/Ground Pass:** A \$28 value!
4. **Loyalty Discount:** Current pass holders purchasing a Summit Pass will receive the Loyalty Discount of \$25.

A few things will remain the same:

1. The pass is non-transferrable.
2. Valid one year to date.
3. Pass must be physically present for redemption.
4. Pass can be used any day we are open and operating.
5. Lost pass replacement fee is \$30.
6. Pass is not refundable.

How it works:

1. Summit Passes can **ONLY** be purchased through the Tram website at: sandiapeak.com/tram-annual-pass/. You will need to upload a photo that has a clear view of your face (no sunglasses, hats or hoodies). This link will be available as soon as passes go on sale.
2. After buying your pass online, stop by Guest Services on your first visit where we will print your pass and it will be ready for use. This first visit and use of pass will start the one-year activation of the pass.
3. Each time you visit, there is no need to stand in line. Show your pass to the podium attendant and you will be sent up to the preboarding level. Guest Services will scan your pass and you will be sent up on the first available flight. That is all!
